14 Days Discover Tanzania Safari & Zanzibar Beach Holiday

Tour Information

Discover Tanzania on Safari and later relax and reminisce on the adventure on a 2 day holiday in Zanzibar.

Safari Description

From Arusha, the 14 Days Discover Tanzania Safari & Relax in Zanzibar safari picks up on a short road trip to Tarangire National Park arriving in time for lunch at Tarangire safari lodge, then proceed with game drive looking out for elephants, giraffes, impalas, monkeys and occasionally the big cats. After dinner, you'll set out for a 2 hours of the silent night game drive to look for nocturnal animals that are never seen in day time (like aardvarks, porcupines bush babies and others).

The Discover Tanzania safari tour then takes you to Lake Manyara for a village tour at Mto wa Mbu town, then continue to Manyara wildlife camp. Mto wa Mbu is a small but very busy town where people that belong to all the 120 different tribes of Tanzania live together. This easy but very exciting walk will give you an opportunity to interact with the local people and learn a lot about their daily life. A Lake Manyara national park afternoon game drive to discover the largest concentration of baboons in North Tanzania, tree climbing lions, flamingos and other birds leaves you served for that part of the Tanzania Discovery Safari before we rest up to prepare our next adventure to the Magnificent Ngorongoro Crater Reserve the next day.

In Ngorongoro you get a chance to see hippos, zebras, wildebeests, gazelles, warthogs among others then transfer to Ndutu where the great migration will be from January to late April. It is one of the very few places in the parks where off-road game drive is permitted and the best place to see hunting cats (lions and cheetahs). From Ndutu you'll take a quick one to Serengeti National Park to hang out with the big cats before we seal off the Discover Tanzania Safari and head to Seronera airstrip with picnic lunch for your flight to Zanzibar (you might have to change flights at Arusha airport). In Zanzibar you will be transferred to Next Paradise Boutique resort for dinner and overnight in Beachfront Bungalow.

For 4 days, get the best out of Zanzibar; spend your days relaxing at the beach. The lodge organizes activities like walking, diving, fishing etc, and you may want to book those activities directly with the lodge.
